

CERTIFIKATE

Pursuant to the statute of the **Qualitätsgemeinschaft Deutscher Fertigbau (QDF)**, it is hereby confirmed that company

Streif Haus GmbH

D-54595 Weinsheim

is a member of the **QDF** and meets its quality requirements.

The **QDF** is an institution belonging to the *Bundesverband Deutscher Fertigbau (BDF)*. Member companies will themselves formulate the requirements to overall building quality and related processes in form of binding quality guidelines. This is characterised by an extensive understanding of sustainability.

The member companies are aware of their responsibility to the environment and society, and in particular to the developer's requirements and housing wishes. The adherence to these requirements will be continually reviewed by independent experts in annual controls, as well as within the framework of self-monitoring.

This certificate is valid until **31. December 2021**.
